

[illegible]

The image displays two anatomical diagrams of a male human figure, showing the front and back views. Numbered circles (1-10) indicate key anatomical landmarks for posture assessment:

- 1:** Head/Neck area
- 2:** Sternum/Chest area
- 3:** Left Shoulder area
- 4:** Right Shoulder area
- 5:** Spine/Back area
- 6:** Left Knee area
- 7:** Right Knee area
- 8:** Ankle/Foot area
- 9:** Pelvis/Hip area
- 10:** Sacrum/Buttock area
